I appreciate your patience!

Fani Lubis

"about the fan art, it shows You, take a picture of Space boy main characters with our digital camera which is "ancient" to them. Amy won't let Oliver got left behind and She breaks two little hearts in the process."

You've captured so much of Space Boy with this picture!
"Amy won't let Oliver get left behind."
So true! Sniff!

Devon

"I figured a nice picture with Oliver in his element would be something cool to draw, so I went ahead and did it."

Take your negative experiences and turn them into something positive.

Paris

"I love Amy's outfit so much! It looks so cozy!"

Oh my sosh-- this is so cute!
So simple and elegant--
You're a great artist!

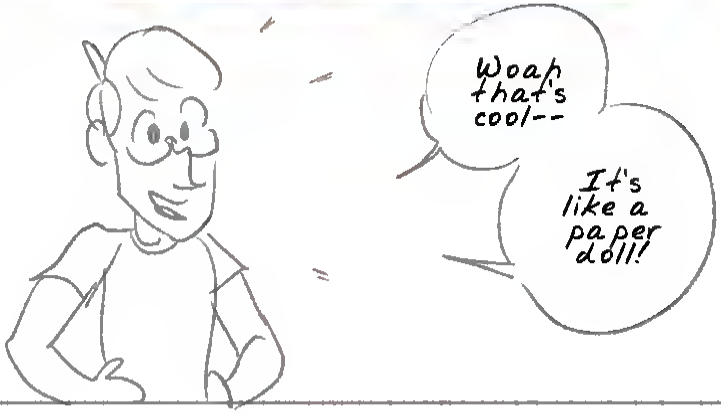
Ariese

"I'm HUGE FAN. I also feel happy for Zeph, since everyone is team Amy x Oliver. I'm just glad Zeph gets to hang out with Amy."

Yeah, we've got Amiver and--
And what?
Zefamy?

Danielle

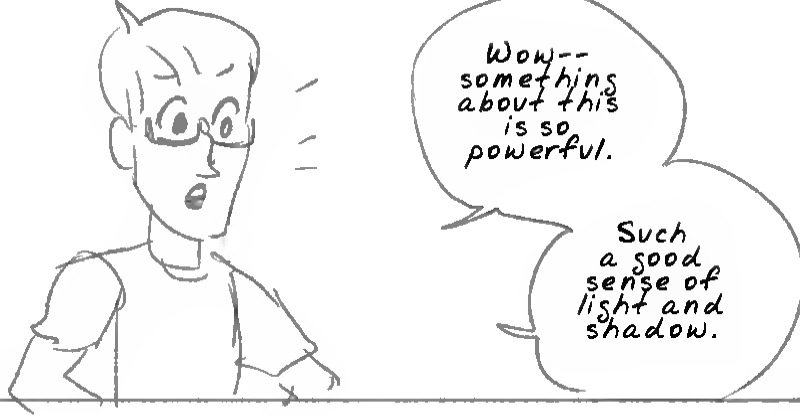
"I'm a huge fan of your comic, and I especially love your art style!"



Woah that's cool--
It's like a paper doll!

Alanna

"I had a bit of time-- it may just be a sketch, but I hope you like it! I went with a yellow dress because yellow suits Amy so well :)"



Greg

"I have two drawings for you! One is a quick

doodle I did a while back, I think you'll find it funny.

The other is, of course, Amy. Since Valentine's Day is coming up, I had a funny idea. I thought of Amy setting a bunch of Valentines in her locker, then when she opens it, they all spill out."

Ha ha-- I love it.

I'll bet tons of guys have a secret crush on Amy.

I can't believe you sent this before valentines day!
That means I'm like-- four months behind on fan art.
Four...

...months?!
Guys, as much as I hate to say it, I think I'm going to have to admit that I just can't keep up with all the wonderful fan creations you send in.
Please know that I read everything you send me and I'll try to respond to and post as much of it as I can-- but there will be cases when I can't get back to you.
I just don't have the time!

I'm sorry!

On a happier note, I think the audience for Space Boy has almost doubled in the last two weeks! I'd like to say hi to all the new space cadets out there.

Welcome!

We're glad you exist!

PS-- If you still want to send in fan art, please send it to:

Thank you!
